① "Do I really have to do my homework now?" I asked. "Yes answered my mom." Then I started to think of an excuse. "But but then how are we going to do it without scissors?" "I can rip out the cards, now just stop asking." My mom replied. She started to rip out the cards. "It is sooo dim in here!" I said.

② The lights were dim as I walked in. I could already smell a whiff of chinese food. The people were as quiet as ever. I thought they must like there food.

↙ Beginning number 1 Action.

We walked into the  
chuckie cheese I held  
claudia's hand tight my  
palm was sweating. I was  
feeling really happy. I was  
be with claudia. "hey  
claudia what game do  
you want to play?"  
"Bumble-Dee catching game"  
"okay" we both can do it.

I ~~got~~ <sup>beginning</sup> off the taxi cab with my mom, my brother and me to go drop FaiKi off to his piano lesson. When we got off the taxi and the taxi went away right in front of me was the old deli I used to go to.

---

"I'm going in the deli 'okay?' I asked my mom. I walked up to the cashier and said 'Hi do you remember me,'" the cashier turned his head around and said "Oh I remember you," he said
